RESEARCH AIDE

Multiple full-time positions available

**SALARY**
Starting at $13.20/hr (commensurate with experience), housing and some meals included

**LOCATION**
F.T. Stone Laboratory, Put-in-Bay, Ohio

**DATES**
April to October 2024 (flexible beginning and end dates)

**QUALIFICATIONS**
Two years of college course work and valid driver's license. Bachelor's degree in biological or chemistry science-related field or an equivalent combination of education and field and/or laboratory experience is desired.

*Applicants will be subject to a criminal background check.*

**Summary of Duties**
Multiple positions are available for research aides at Stone Lab in 2024. Assistants focus on research-related tasks including sample collection aboard research boats, lab experiments, maintenance of research facilities and equipment, transportation of samples, supply and equipment inventory, generation of lab reports, data entry and analysis as needed, and assist with the Research Experience for Undergraduates (REU) Fellowship Program.

The water quality research aide will also maintain and sustain algae cultures, report data to the Ohio EPA and conduct analysis of water samples.

**HOW TO APPLY**
Visit stonelab.osu.edu/jobs to fill out an application and upload a brief cover letter and resume.

The job posting will be open until mid-February 2024.

Interviews for employment will be held late February 2024 via Zoom.
