

STONE LABORATORY 2017

Ohio State's Island Campus on Lake Erie

One wild week, four certifications *Become certified to teach:*

... in only one week!

July 23-29, 2017

ENR 5690: WATER AND WILDLIFE TRAINING FOR EDUCATORS

Earn professional development credit while learning and living on a Lake Erie island. Participants in this field-based, one-week course will receive certifications in all of these educational programs. To apply, submit the Stone Lab Course application found at stonelab.osu.edu/applynow.

Formal and informal educators taking this course can apply for multiple scholarships with deadlines beginning March 3, 2016. Contact stonelab@osu.edu or visit stonelab.osu.edu for more information.

F.T. Stone Laboratory, The Ohio State University's island campus, is the Lake Erie research and teaching laboratory for the Ohio Sea Grant College Program. Course credits are based on the Ohio State University semester credit system and are transferable to most colleges and universities.
