## SUMMARY OF DUTIES

This part-time position is available to a college-level student enrolled in a five-week course at Stone Lab. The social media intern will assist the communications department with creating social media content promoting Stone Lab classes and workshops, programs at the Aquatic Visitors Center and Ohio Sea Grant research. We are looking for a creative person with an interest in science and the outdoors and a passion for sharing what they learn.

**Required qualifications:** Proficiency with social media platforms including Facebook, Twitter, Instagram and Snapchat.

**Desired qualifications:** (a plus, but not required): Experience with digital SLR photography/videography, willingness to learn Adobe Creative Suite, familiarity with AP Style.

All application materials must be received by **5 p.m. ET on March 2, 2017**. Interviews will be held **March 7-9** and decisions will be made by the end of March.
