Six positions available

Summary of Duties
Individuals will assist with the Stone Lab’s Science Field Trip Program as instructors in the spring, summer and fall. This will include helping students sample aboard our research vessels, identifying specimens in laboratory sessions and participating in specialized island activities. Individuals will also perform other tasks required to assist with the day-to-day operation of Stone Lab, which may include:

- Provide assistance to faculty, researchers, and other staff
- Conduct scientific outreach events
- Kitchen and dorm duty rotation
- Tours of Gibraltar Island and the South Bass Island Lighthouse
- Upkeep of lab grounds and facilities

SALARY
Starting at $13.20/hr (commensurate with experience), housing and some meals included

LOCATION
F.T. Stone Laboratory, Put-in-Bay, Ohio

DATES
April to October 2024 (flexible beginning and end dates)

QUALIFICATIONS
Two years of college coursework and valid driver’s license. Bachelor’s degree desired.

Applicants will be subject to a criminal background check.

HOW TO APPLY

Visit stonelab.osu.edu/jobs to fill out an application and upload a brief cover letter and resume.

The job posting will be open until February 21, 2024.

Interviews for employment will be held the week of February 26, 2024 via Zoom.
